## FROM THE DESK OF DONNA

Today is Good Friday and the second day of Passover. This is a very special time of year. By connecting Passover, Holy Week and Easter, we bridge the Old and New Testaments and can see the overarching theme of God's redemptive acts on behalf of His people. Passover and Easter – it is not “either or ” it's “both.” — **Melanie Leach**

My wish to you one and all is health and new beginnings as sweet and fresh as a spring day. Thank you everyone for doing your part in social distancing. **AT THIS TIME, WE HAVE NO REPORTS OF THE VIRUS, IN Briny Breezes.** Remember to follow all the guidelines for social distancing.

Please **do not** invite guests to visit during this shelter at home order. Thank you for placing the green paper in your window if you are healthy or do not need assistance. **The red paper just lets your neighbors, Ocean Ridge Police and Staff know that you need a call.**

Thank you for those who are taking lists for groceries and shopping for your neighbors. Every day I run in to precious Brinyites who are going to the grocery store with orders for 3 or more families.

Thank you, Ted and Kathy Gross, for bringing a warm meal to the many who are alone. Not only does the food warm their stomachs but the conversation is also a blessing. Thank you to the many who are preparing food for others.

Thank you for the many masks made by the hobby crew. I saw a custom one made for Ira, though he may consider not smoking at all!

Thank you to Ocean Ridge Police Department for the extra patrol and for asking Trespassers to leave Briny. **Also, please note that currently OLD OCEAN BLVD is open to local traffic only.**

The Board of Directors held the very first Board meeting on Wednesday via ZOOM. This did not come without a few kinks. But, was a huge success. We had up to 31 viewers and were able to have shareholder comments as well. Thank you BBC8 for your quick thinking and Mary for sending out an eblast right before the meeting so shareholders could tune in to the meeting. This technology is now more than ever being used to allow everyone to do business even in time of crisis. It will improve as we learn the technology.

A couple of items of concern. A resident had a stranger come onto their porch the other day, looking for masks. They were not from Briny and were told to leave. Please call Ocean Ridge when this happens be careful when confronting people.

I have seen many cats about the property. They seem to be friendly kitties, but please keep your cats in your homes.

Be Safe my Friends, be Smart, be aware for yourselves and your neighbors. I expect to see Briny back stronger and better than ever. As Winston Churchill once said “I AM AN OPTIMIST. IT DOESN'T SEEM TOO MUCH USE BEING ANYTHING ELSE. “

## **NEWS FROM THE TOWN**

### **ROAD WORK ON BRINY BREEZES BLVD.**

The Gulf Stream Views contractor notified the town that they plan to cut into their side of Briny Breezes Blvd. in the very near future so that they can connect to the Boynton Beach water line. It's unknown whether the spread of Covid-19 and the government's Safer at Home directive will impact their timing. The contractor assures residents that Briny Breezes Blvd. will NOT be closed during this work; at least one lane of the road will remain open to use. GSV will arrange for signage alerting drivers to the work being done. Town officials reminded GSV that traffic is NOT to be directed to Ruthmary or Cordova Avenues or other private roads in Briny Breezes.

**DID YOU KNOW:** Residents can drop off old medications/ prescriptions in the lobby of the Ocean Ridge police station (no needles or syringes)

## **COMMUNITY CARING CENTER FOOD COLLECTION**

It's that time of the year again when our "snowbird" friends return to their homes in the north. You will be missed in Briny!

As you leave and are cleaning out your units, if you have any food, cans, unopened boxes or unopened toiletries that you wish to donate, please leave on my mother's (Ann Kimlicka) patio, G-11 Ruthmary in the designated box on the patio table. The center appreciates our donations which help supply groceries to local families. These items are needed now more than ever. Also, kindly check the expiration dates before donating. Stay safe and healthy and we'll see you again next season!

Thank you very much. Barbara Molina

## **ORIENTATION to BRINY**

We will be cancelling the remainder of the Orientation Sessions (2 scheduled for April) for now. Hopefully, Holly Reitnauer and her Committee will be able to offer them again in a few months. Many thanks to all who came and participated. We trust that you walked away with some new and interesting information. We all enjoyed meeting you. Be well, stay healthy and safe.

Susan Brannen, Nancy Aceto, Eileen Duffy, and Nancy Greenblatt

## **CHURCH NEWS**

**The Pastor (only) will hold the service and it will be broadcast on Channel 8001.**

There is no place like Briny. This is so true and with God's help, everyone is abiding by all the rules. We will get through all of this and we will be better people. As we go through all of this, more and more folks are turning to the Lord. He will guide us.

Again, this past Sunday the church service was televised. A huge thanks to Bill Wahne, Stan Brunell, Eric Wolffbrandt and Chuck Foland for making the service possible. They all are serving the Lord with their own talents. The Rev. Dale Robertson was the Pastor for the service. The Scripture reading was from Zechariah 9:9-12. He spoke on "The King Comes" The Lord comes and brings to us peace and blessings. Palm Sunday and Holy Week is our time to renew our faith. How do we know how to live in fear? We need peace. We are in a silent war and I believe that God will take it away. Come to the Lord and share Him with everyone. The "King is Coming" and with Him brings praise, peace, and blessing. This Sunday we will be worshipping the "Risen Christ". Please tune in at 10:30 a.m. to channel 8001 for the service with Re. Jeff Snodgrass bringing the message. Remember "Christ is Risen" He has risen indeed! ~Betty Foland (315) 676-7413. If you would like to send in your contributions, they can be sent via mail to Paul Ruopp N-210.

## **IN MEMORIUM**

"Although we were not ready to let him go, my beloved husband of 53 years, Jim Yocum, passed away on March 31st. Father of John, Shelley, Todd and Jayme, grandfather of Alex, Aidan and Ethan, Jim was always kind and supportive. He urged all of us to do our best and not take life too seriously. Thanks to my Briny family for your kind expressions of sympathy" ~ Nancy Yocum

## **BBC-8 NEWS**

If you would like a certain show to be repeated please contact Michael Coppola, Jan Hoffman, Gail Elble or Stan Brunell (our numbers are in the directory) and we will try our best to get the show on asap. If you know the date that would be helpful. If you have anything to report on the Scroll please contact us and we will be happy to take care of that also. Repeats of shows will be on every day. Please tune in and help to continue the tradition.

## **The Briny Breezes Calendars are here!**

12 different clubs each have a month with their pictures and the club info (meeting dates and events) can be found throughout the year. The calendars start in November 2020 and go through October 2021. They are available for sale, they are \$20 each, with the proceeds going to the "Hobby Club". Please drop your check in the mailroom for Nancy Aceto at I-002. We will get your calendar to your mailbox.

## **FLAG RAISERS**

Many thanks to the flag raisers at the Ocean Club House through-out the season. Listed below are the names who volunteered but many had helpers that were just as instrumental: Don Lewis, Randy Young, John Corrigan, Tom Porman, Bill Birch, Ken Boyles, Roger Young, Patrick Duffy, Suzanne Carroll, and Henry Greenwood.

## **FOUNTAIN PAVERS**

Legacy Brick Order Forms are available in the office. Individual pavers in either 4x8 or 8x8 can still be installed. Imprinted pavers can be inscribed with whimsical saying or commemorating special occasions such as births weddings or anniversaries. Additionally, we accept donation in any amount as memorial gifts to Brinyites who have passed away. Your continued support of this project allows funding for the ongoing enhancements of our entrance and town center.

## **FOUNTAIN MEMORIALS**

Memorial gifts will be used to complete the Legacy Fountain and the surrounding landscape area. Recent memorial gifts have been used to install lighting of the fountain sculpture as well as illumination of the wall behind the Memorial Bench. Gifts

of any amount should be made to: Briny Landscape Club, noting in whose name the memorial is given.

### **LIBRARY NEWS**

The library is still closed. You can return any of your library items to the box in the mailroom - we have volunteers to pick them up. There are many paperbacks available for you to either borrow or keep (your choice). Those books are located in the cupboard next to the attic steps outside the Hobby building; inside the front door on the counter to the right in the Ocean Clubhouse; and there is now a box of books at the laundromat.

**The Bookmobile is currently off the road.**

### **SOS-Dunes**

#### **Save Our Sand Dunes**

Stay off the dunes and **DO NOT** cross over the wall or trample dune plants.

ALWAYS use one of the 5 paths. IF you see someone walk over the wall - please politely remind them to use the dune paths. Thank You Bill Wayne for the polite reminder sign.  
Ken Gross N-203 708-646-6361

## **CLUB UPDATES**

### **BOATING & FISHING**

**Reminder Don't forget to cancel your subscription to the Palm Beach Post before you leave. Call 561-820-4663 and use the word "CANCEL" Thanks, Karen Roop P203**

### **HOBBY CLUB**

Hobby club is closed to gatherings. If you want to help with the masks and headwear and get supplies, you may pick them up at hobby and work on them at home.. If you do not have a sewing machine at home, you are allowed to check one out from the hobby club. There is a sheet of paper to write down you name, unit # and which sewing machine you are borrowing. There is a piece of blue tape on each machine with the name and # to write down. If all the machines end up being borrowed and you would like one, we will put a limit of one week on the borrowing of a machine so that someone else has a chance to use it. This is unusual times we are living in right now, so let's all do our part to keep Briny safe from the virus. Thank you. Marla Guzzardo-President and Kathy Gross-Secretary
