**EVERY SHAREHOLDER IS RESPONSIBLE FOR CANCELING THEIR SERVICE WITH AT&T ON OR BEFORE NOVEMBER 15<sup>TH</sup>, 2022.**

## **AT&T cancellations 1-866-299-6824**

Dear Shareholder,

We have been emailing about this for months now, we wanted to send a final reminder as several of you are still not clear on what is going on.

Once again, the AT&T contract is coming to an end on November 15, 2022. At that time or any time before you must cancel your AT&T account. You will be given instructions and 21 days to return your equipment to any UPS or FEDEX location.

EVERYONE will need to cancel their own account, or you will be billed by AT&T retail rates starting November 15<sup>th</sup>.

If you are away from Briny and will not be back before the deadline, please cancel your account by calling AT&T and have your caretaker, friend or neighbor return your equipment within 21 days of cancellation.

If you are away from Briny but will be back within 21 days of November 15, 2022 you can cancel your account by November 15, 2022 and return the equipment when you return.

If you are in the park and are still using AT&T services, wait until you are up and running with LuxSpeed hopefully in the next week to 10 days and then cancel your AT&T and return your equipment.

Once you are connected to LuxSpeed you do not need to pay AT&T for internet services.

If you have not been receiving emails, it is urgent that you get on the list. You are missing out on very important information and updates.
