For many of you who had your vehicles stored last season, as per usual they have been moved out of the Quonsets and placed at your unit. Fill out the paperwork “Quonset and South Lot Storage Form” (available on our website or in the office) and attach a copy of current insurance and let us know that you want your vehicle put back in the Quonset. Contact the office.***

***Did you know?...the office does not take cash? We require checks for all transactions, such as guest badge deposits, replacement of access badges, and assessments. Checks or money orders only please. Cash is allowed to purchase Briny face masks or lanyards and rolls of quarters for the laundry.***

***Did you know?... that the Mailboxes in the Mailroom are Corporate property? Yes! And if you tamper with the combination lock, we will remove it completely & replace it with a key lock and charge you \$40.***

## **BINGO NEWS**

2021 season was quite difficult. Typically Bingo has a Jackpot game FOR MEMBERS ONLY on the last Monday in March. This time the JACKPOT was/is, that COVID vaccines rolled out for all of us! We helped many residents get an appointment at Publix. Our wonderful community of Briny Breezes came together and took on challenges without questions. We had a great relaxing season. However, Joe, Bruce, Tracy, Cindy and I didn't know what to do at 3PM, Mondays. (Typical set up time) haha. We sometimes met at the mail room those days. We are looking forward to Bingo in 2022! A new normal will be figured out. Safety is our goal along with friends, neighbors and LAUGHTER. Have a wonderful and safe summer! Get your vaccines. It doesn't hurt and helps protect you/us against illness.

**BINGO, BINGO!** Barbara Harris/Klink, President and Cindy Holbrook, Vice President

## **Library News**

## **Memorial Fountain Bricks**

The Landscape Committee would like to thank Ray & Bunny Oldis for their donations of memorial bricks in memory of Joe Sperazza and Billy McGee. Margo & David Lindmark have purchased a brick for Curtiss Jay Olson. Kennedy O'Grady and Chick Behringer have donated a brick in memory of Joe Sperazza. Thank you all very much. We appreciate it!

We would like to remind our Briny residents that Fountain Circle Bricks are still available and can be ordered in two sizes, 4" x 8" and 8" x 8". Please find the application forms in the Briny Mailroom. We will be ordering another batch soon and the more bricks we order to be customized, the easier it is to arrange for installation. Remember, the bricks can be engraved with special tributes to family members, memorializing special events or people. Also, some bricks have been created for various clubs and organizations.

### **A Personal Note from Barb D'Errico:**

*"To our Briny friends: "Len often said to me, "Barb, you don't need to embellish! Say what's in your heart and be done!" Therefore, from my heart, I THANK YOU! But being me, I must add more. Your prayers, gracious love and support are most comforting. They embrace me and give me much needed strength to accept all that must be and what is needed to face each day. Your kindness has filled my heart and I am eternally grateful for your thoughtfulness."*

*~ With love and prayers always, Barb D'Errico ~*

### **Orientation for New Owners/Renters**

Given the pandemic we stopped offering Orientation to our Community, our Corporation and Town last March. Using a new format we will again offer this via remote Zoom. The dates we will be offering them are listed below. If you have not had an opportunity to participate as a newer shareholder or if you just want a refresher, chose a time that works for you and RSVP to Susan Brannen - sjbrannen28@gmail.com. Typically the Orientation lasts for about an hour. Following the completion of the orientation we will notify the office of your participation. If you do not have access to the internet or to Zoom, let us know- we will try and set up something for you at Briny. Two members of the committee will join with you to Welcome you and help you enjoy the Briny community. Help us catch up, sign up now. Many thanks Susan J. Brannen, Chair 585-734-4890

### **SHARING IS CARING!**

Last year, the Community Caring Center became part of a larger organization, Boca Helping Hands, to distribute food locally. They thank all of you for your donations last year. I will continue to drop off the food here in Boynton Beach where they distribute it from the church on Seacrest/Boynton Beach Blvd. If you have any food, cans, unopened boxes or unopened toiletries that you wish to donate, please leave on G-11 patio, in the box on the patio table. The center appreciates our donations which help supply groceries to local families. Also, kindly check the expiration dates before donating. Stay safe and healthy and we'll see you again next season! Thank you very much. Barbara Molina

### **Sea Turtle Nesting Season Begins March 1<sup>st</sup>**

Florida's beaches are important nesting areas for sea turtles, and the sand dunes are home to many unique plants and animals. *Please help protect Florida's sea turtles, other wildlife and the coastal habitats upon which they depend. The sea turtle nesting season in Florida runs from March through October on the Atlantic coast. During the sea turtle season, please remember few simple things to help protect these magnificent creatures and their habitat:*

- It is against the law to touch or disturb nesting sea turtles, hatchlings, or their nests. Sea turtles are protected by both the Federal Endangered Species Act and the Florida Marine Protection Act.
- **If you see an injured or dead sea turtle, call the Florida Fish and Wildlife Conservation Commission 1-888-404-FWCC (3922) or \*FWC from your cell phone.** Please be prepared to answer the following questions: What is the exact location of the animal? Is the turtle alive or dead? What is the approximate size of the turtle? Is the turtle marked with spray paint? (This indicates that the turtle has been documented.) What is the location of the closest access point to the turtle?
- Avoid going to the beach at night. If you must be on the beach at night, limit your walking and do not use flashlights or flash photography. The light may cause the female to abort the nesting process, or other sea turtles nearby may be discouraged from nesting if there are lights on the beach.
- Turn off outside patio lights and shield indoor lights from shining directly onto the beach by closing the drapes at night. Lights disturb nesting sea turtles and hatchlings. Please make sure your beachfront lights are in compliance with the law.
- While enjoying the beautiful beaches during the day, avoid disturbing marked sea turtle nests, and please take your trash with you when you leave the beach.
- When crossing a dune, please use designated cross overs and walkways. Do not climb over the dunes or disturb the dune vegetation.

### **Water Aerobics with Stan**

It was a crazy season trying to deal with Covid-19 and keeping everyone safe. I look forward to seeing you all next season!*

#### **2021 CHISELERS END OF SEASON NOTE**

Dear Chiseler:

As we come to the end of the challenging 2020/21 Briny Season, The Chiseler's Club, with your support through Dues and Donations, is in good financial condition. We have replaced

the well-worn thickness planer and continued to maintain our other equipment so that, upon your return next season, we can have a more normal season of projects and meetings with more of you in attendance. Please contact the Chiseler's Executive board via e-mail throughout the summer with your questions. We will be posting any changes in the monthly Bugle. The Chiseler's Club Workshop will be available for use by Dues and Locker Fees Paid Members throughout the Summer Season. Please report any equipment repair issues to Ira Freedman, as he will be in Briny throughout the Summer. Any outstanding Dues will be collected at the beginning of next season. Locker/Bin Fees are to be paid this season to retain locker/bin currently used. Locker and Bin Assignments will be determined next season after we have had the December Meeting.

Have a Safe Summer!
