## **Briny Bazaar Charities**

How many different ways are there to say "amazing"? A quick Google search and there are about 10- marvelous, mind blowing, remarkable.....We could use them all as we describe our Briny Community and its generosity for the Charities that the Briny Bazaar support. We told you that last year with raffles, auction and private donations we made \$10,000. Guess what? Just through donations we have raised nearly \$5000. Half the amount! The donations came from YOU- so many shareholders, renters, past renters, guests, a club- folks we see and many who we do not. Big, little matters not it is a great achievement especially during these unusual and difficult times. There is still a little time to donate if you chose. (G-3 Susan) I'll collect until Friday April 16<sup>th</sup>. I will need to send out the checks before heading back north. I suspect there are an equal number of ways to say "thank you", you are "appreciated. On behalf of the charities we support, you are all simply amazing, simply wonderful and extraordinarily generous.

Many thanks. Susan Brannen, Treasurer, Eileen Duffy and Linda Sudds- Co-Chairs

## **Church News**

## **In Memorium**

**Leonard W. D'Errico** died March 29, 2021, age 91. Beloved husband and soulmate of Barbara Nadeau D'Errico of 63 years. Loving father of Dino (Janet); Diana (Andrew) Hauser; Tony (Jenny); and Gina (Mike) Brennan. Adored Grandpa of Nicholas, Michael, Nicole and Ryan, Christina and Michael. Len also leaves behind a big family including many nieces and nephews. "La Famiglia!" was his favorite expression, as his family was his pride and joy. Born in Providence, RI, he was the son of immigrant parents and one of 9 children. Recruited to Boston University, Len played football then became Assistant Football Coach, while obtaining his Masters in Phys Ed. His career included teacher, coach, Athletic Director and Defensive Coordinator. He was inducted into the BU Hall of Fame, the Oyster Bay HS Hall of Fame, and the Spaulding HS Hall of Fame. Len was also a member of the Italian American Citizen's Club of Oyster Bay and the Knights of Columbus. Len retired to Briny Breezes where he was active in the Chiselers Club and was instrumental in building the pool cabana. He had another small moment of fame, when he had a role in the movie, "In her Shoes." In addition to his family, Len was best known for his generosity and his passion for football, food, friends, and all things Italian. He had a big presence and an even bigger heart. A celebration of Len's life is planned for April 10th. In lieu of flowers, donations may be made to: **The Compassion Fund at Trinity Lutheran Church; in memory of Leonard D'Errico** <https://giving.parishsoft.com/app/giving/trinitydelray> or **Briny Breezes Chiselers Club; in memory of Leonard D'Errico** 5000 No. Ocean Blvd. Briny Breezes, FL 33435

We would like to remind our Briny residents that Fountain Circle Bricks are still available and can be ordered in two sizes, 4" x 8" and 8" x 8". Please find the application forms in the Briny Mailroom. We will be ordering another batch soon and the more bricks we order to be customized, the easier it is to arrange for installation. Remember, the bricks can be engraved with special tributes to family members, memorializing special events or people. Also, some bricks have been created for various clubs and organizations.

## **Briny Breezes Memorial Fund aka The Chimes**

## Sea Turtle Nesting Season Begins March 1<sup>st</sup>

Florida's beaches are important nesting areas for sea turtles, and the sand dunes are home to many unique plants and animals. *Please help protect Florida's sea turtles, other wildlife and the coastal habitats upon which they depend. The sea turtle nesting season in Florida runs from March through October on the Atlantic coast. During the sea turtle season, please remember a few simple things to help protect these magnificent creatures and their habitat:*

- It is against the law to touch or disturb nesting sea turtles, hatchlings, or their nests. Sea turtles are protected by both the Federal Endangered Species Act and the Florida Marine Protection Act.
- **If you see an injured or dead sea turtle, call the Florida Fish and Wildlife Conservation Commission 1-888-404-FWCC (3922) or \*FWC from your cell phone.** Please be prepared to answer the following questions: What is the exact location of the animal? Is the turtle alive or dead? What is the approximate size of the turtle? Is the turtle marked with spray paint? (This indicates that the turtle has been documented.) What is the location of the closest access point to the turtle?
- Avoid going to the beach at night. If you must be on the beach at night, limit your walking and do not use flashlights or flash photography. The light may cause the female to abort the nesting process, or other sea turtles nearby may be discouraged from nesting if there are lights on the beach.

- Turn off outside patio lights and shield indoor lights from shining directly onto the beach by closing the drapes at night. Lights disturb nesting sea turtles and hatchlings. Please make sure your beachfront lights are in compliance with the law.
- While enjoying the beautiful beaches during the day, avoid disturbing marked sea turtle nests, and please take your trash with you when you leave the beach.
- When crossing a dune, please use designated cross overs and walkways. Do not climb over the dunes or disturb the dune vegetation.

### **SHARING IS CARING!**

Last year, the Community Caring Center became part of a larger organization, Boca Helping Hands, to distribute food locally. They thank all of you for your donations last year. I will continue to drop off the food here in Boynton Beach where they distribute it from the church on Seacrest/Boynton Beach Blvd. If you have any food, cans, unopened boxes or unopened toiletries that you wish to donate, please leave on G-11 patio, in the box on the patio table.

The center appreciates our donations which help supply groceries to local families. Also, kindly check the expiration dates before donating. Stay safe and healthy and we'll see you again next season! Thank you very much. Barbara Molina
