MAIL If you left for the summer, you should have **forwarded your mail with the USPS**. Any mail that has arrived after you left is put in your Briny mailbox. Lately, we seem to be getting mail again for some of you who are not back in Briny. Please check with the **USPS** and make sure your forwarding order is still intact until your anticipated return. If you are missing a bill or important correspondence and think it may be here, you can always contact the Briny office and we can check your mailbox for you.

The Ocean Clubhouse Porch Rebuild & Roof Replacement Project was submitted for permits. **We anticipate this project starting early August**. The Clubhouse porch & veranda areas will likely be closed for the majority of August and September. Access to the Clubhouse interior should only be interrupted for several days later in the project. We will keep you posted as things progress.

HELP KEEP BRINY BEAUTIFUL **WEEDS ARE GROWING LIKE CRAZY!** Many units already look neglected, lots of rain brings lots of weeds and mold build-up. Inspections are happening all summer long and warning letters are going out. To prevent violations & fining, please have your unit maintained during the summer. Contact your caretaker!

It's HURRICANE SEASON Coconuts and loose branches become missiles during a heavy storm, let alone a HURRICANE! If you haven't gotten your trimming done yet, get it done! Call your caretaker!
