## From the Office

The Annual meeting packages have been MAILED, are in MAILBOXES and the BECKERBALLOT Electronic Voting email was sent this morning, 2/2, at 10am to all of you who have consented to electronic voting. PLEASE review your packages before voting electronically as there is a lot of "BALLOT INFORMATION" you may want to read first. Please reach out to Mary if you want to vote electronically and have not yet filled out the form or have not received your email. If voting by mail, PLEASE complete BLUE PROXY and place in BLUE envelope and YELLOW BALLOT which goes 1<sup>st</sup> into YELLOW SECRET envelope which you then place in YELLOW MAILING envelope to mail or drop in office boxes. PLEASE call or email or reach out to your District Directors with any questions.

The office would like to send a "thank you" shout out to the volunteers that helped with the Annual Meeting mailing on Tuesday, they are: Janet Adams, Diane Kreisler, Beth Fowler, Joan Hayes, Nancy Greenblatt, Fran Mullen, Adrienne Murphy. Thank you ladies, we are grateful! And of course a special thanks to Nancy Aceto for organizing and getting it all done!

**The Annual Meeting Notices are in the mail. Please pick up your mail from your Briny mailboxes as they will be full with these large envelopes. Thanks!**

**If you are ordering online**, your packages should be sent to your **street address**. Don't include 5000 N. Ocean Blvd. Put your unit # then your street name then Briny Breezes, FL 33435. If you do this, Amazon and Fedex **should** deliver straight to your door.

**IMPORTANT:** The Fire Marshall has done a parkwide inspection and found 65 units that are not in compliance with having easily visible unit numbers. Numbers must be "easily" visible and **at least 4 inches in size.** The staff will begin placing address stickers on non-compliant units on January 31st and you will be billed \$25.00 for this service & you will be sent a violation during the next round of inspections.

**January assessments are now late. Late fees will be assessed.** With the new coupon books, there are plenty of ways to pay your assessments. Look at "**Many ways to pay your assessment**" on the Briny website under Public Documents

**Did you pick up your Resident Directory?** There are still some available. 1 per household

**EMERGENCY TEXT SERVICE** Several of you have signed up for emergency/important TEXT alerts. It is very simple to opt in. **To OPT IN, text BRINYTEXTS to 561-831-7933. (TEXT THAT ONLY AND NOTHING ELSE!)** You will receive an automatic confirmation text within a minute or two. This is also posted on our Facebook page (pinned to the top of our group page) **DO NOT RESPOND/or REPLY** to the text messages, no one will be seeing or reading them.

**GET YOUR NEW PARKING DECAL!**

Bring your current registration to the office ASAP! We have been warning you for months. The ORPD has been instructed as of January 1, 2023 that all residents should have the new decals. **They will be ticketing!**

**ARE YOU HAVING GUESTS?**

Please remember to fill out a Guest form for anyone who will be visiting Briny, return to the office at least 10 days prior to their visit along with a check for any deposits required. This will give the office enough time to process badges, parking passes or anything else they may need.

### **Boating & Fishing "Social & Service" Club**

Do you ever wonder what is the Boating & Fishing Club? It's a social club that started out years ago and has kept its original name. However, it has nothing to do with or about boating or fishing. The objective of the club is to keep everyone informed of activities in Briny. Our members get together at our meetings to socialize, have free coffee, donuts or muffins and get to know each other. We look forward to meeting the many people who have moved into our community as buyers or renters, and very happy to see all our repeat members back with us. If you have any questions about joining the Boating & Fishing Club, ask the front office for the "Clubs" form to join, or just look in the Bugle for the meeting date and you can join our next meeting.

We will not be able to light any lanterns and launch them, but we can enjoy our earthly-bound ones and imagine our cares drifting into the night. ### **Blood Pressure Clinic**

Prior to the COVID pandemic, Hobby Club provided a weekly blood pressure clinic. Participation varied week to week over the years with some residents using the service every time it was offered. Some of those "regulars" are no longer with us plus our demographics have changed over the recent years. With that being said, the Hobby Club leadership is requesting input from you. If this is a service that you are interested in using, please let me know. Your response is welcome in person, by text or phone call to 304-481-9333, or drop a note to me at J-12 by January 18th. ~ Annette Boyles

**CHURCH NEWS** This past Sunday was another glorious service of worship and beautiful music. Rev. Jeff Snodgrass spoke to us about "The Perfect Wedding Guest" taken from John 2: 1-3. The sisters, Pamala Ladd and Larena Rocheleau, daughters of Gene and Lawrena Foland sang a song and played on the piano a beautiful song. Thank you girls. **A reminder that the service this Sunday is Communion Sunday & will be in the Ocean Clubhouse at 10:30am because of the Briny Bazaar.** Golf cart parking will be permitted in front of the OCH. Cars should park in Guest parking spots. Pastor Ray Brower will bring God's message. Everyone is welcome. You will receive a Blessing! Betty Foland (315) 676-7413

## **Gym Membership**

2023 is right around the corner and it's time to renew your gym membership! I was able to keep the membership rate down for the last few years, but, unfortunately, it's time to raise the dues. With the cost of upkeep and the drop in membership (due to COVID), the cost of the next year will be a \$50 annual fee. That is still a great deal. Membership waivers will be at the office or mail room. Fill it out and return your signed waiver with your payment to the office. They will activate your badge and you're ready to go.

Please remember to clean up after using the equipment and weights. Be courteous and return weights to their respected places to allow others a clean space to do their workouts. Leave the thermostat at 78 degrees when you leave, turn off the lights and make sure the door is closed behind you. Our little workout room has everything you need to get a great workout for yourself. Thank you, Kathy Gross, Manager

## **Pickleball has come to Briny!**

Pickleball is a fun sport that combines many elements of tennis, badminton, and ping-pong. It's one of the fastest growing sports in the US because it's easy to play, low impact, and appeals to a wide range of people. 4 people play on a court that is half the size of a tennis court. The paddle is similar to ping-pong and the ball is a hollow perforated plastic, just like a wiffle ball.

Our court in the auditorium was put down last week thanks to Bob and Char DeYoung, Tom and Tootie Goudreau and lots of blue painter's tape. For now court time will be **Wednesday afternoon from 2-5 and Sunday afternoon 2-5**. White soled sneakers must be worn to save our floor from getting marked. We supply the removable net and pickleballs. We have some extra paddles for your use. Please come by to try or watch this very fun game. Pickleball is a great physical activity for us seniors. See you on the court. Nancy Aceto
