LANDSCAPING ~ Seagrapes along the beach will be trimmed at the end of the month.

HOBBY CLUB ~ The Hobby Club is **CLOSED** and the work on the floor has begun with plans to reopen on or around the 19th.

VIOLATIONS ~ **WEEDS** must be managed by you, the shareholder, 12 months a year. Not just during the season but all year long. Please be sure that your caretaker is doing this, or you may receive a phone call and/or violation letter. A good number of you received violations recently and we are extremely grateful at the quick response and action taken.

HURRICANE PREPAREDNESS! IT'S HURRICANE SEASON FOLKS! You know what that means. You **MUST** make sure that your unit is secure! There are already storms brewing and we want everyone and everything in Briny to be safe. **DO NOT DELAY!** If you are not here, contact your caretaker immediately and have them check your Briny home.

We will send out email blasts with any notable weather conditions that would affect Briny. If you are not on the email blast list, send a request to brinybugle@gmail.com and we will add you.

NEWS FROM THE TOWN

July 22, 2021, 3:00 PM Town Council 2021-2022 Budget Workshop Meeting at Town Hall

July 22, 2021, 4:00 PM Regular Meeting Town Council at Town Hall

Great News! FEMA has approved the funding for portable generators for 3 briny lift stations. This will be VERY important in case of long term power outages. A big "thank you" to Town Manager Bill Thrasher for his continued hard work and his determination to get things done!

Water Main ~ District 4 The Town of Briny Breezes has scheduled the replacement and the relocation of the water main presently located alongside the seawall in District Four. In the near future there will be surveyors in that area obtaining data necessary for the construction work. The actual work should begin near the first of August and be completed by the end of September this year. The construction phase will impact water services and parking for residents on Heron, Ibis and Mallard Drive and will involve excavating and repaving portions of the street. Any damages to the pavement or grass areas will be repaired by the contractor. Every effort will be put forward to minimize any disruption to your quality of life. For further information please call Town Hall at (561) 272-5495. Thank you for your patience.

A small request from the Burtons ~

"Hello dear friends! We are hoping you will help us celebrate **Doc (Trouble) Burton's 100th birthday**. His hearing is terrible but he and Mom still have a home filled with laughter! Their caregiver is there 6 days a week and she keeps the banter going! They are still very independent at home and enjoy their beautiful views on the Bush River. Having lived there and in Briny, they are blessed. We would ask you to send a story or memory for his birthday. We will create a scrapbook for him. His big day is August 29th. Looking forward to reading these! Please send an email to: docburton@verizon.net or mail to: Doc Burton 3731 Abingdon Beach Rd., Abingdon, MD 21009. FB to Betty Burton"

In Memorium

The family of **Shirley Coppola, C-212**, would like to express their gratitude to all of Shirley's friends in Briny Breezes for their encouragement to Shirley over the past year. The many heartfelt sentiments lifted her spirits and put a smile on her face during a very difficult time. Both Shirley and Frank loved their retirement years at Briny Breezes and the many wonderful friendships they made. Shirley passed on June 25, 2021, at her home surrounded by her children after a courageous yearlong battle with pancreatic cancer.
