## **GUESTS or VISITORS?**

Do you have ANYONE visiting your unit such as a friend, relative, or guest? Need Badges? Parking passes? **The office needs to be informed at least 7 days prior to their arrival** to make sure that we have time to prepare what they need to be in Briny. Have a service provider doing work at your unit? They need a parking pass too! Stop in or send them over!

**IGUANAS** – Trapper will be in Briny the week of June 23<sup>rd</sup> to hopefully trap a few of our nuisance Iguanas. Don't be alarmed if you see him in the park on the hunt.

## **HELP KEEP BRINY BEAUTIFUL!**

**Inspections will continue throughout the summer.** Many units in the park quickly look neglected, lots of rain brings lots of weeds and mold build-up. To prevent violations & fining, please have your unit maintained thru out the summer.

**Have you TRIMMED YOUR TREES?** IT's HURRICANE SEASON! WE MUST BE PREPARED! If you haven't done the trimming yet, get it done! Inspections are happening and warning letters are going out to individuals. Remember if you are planting or removing trees you **MUST notify the office** and fill out the Tree/Bush Removal Form. Our maintenance staff have to mark our underground utilities. Also, you **MUST call 811** if you are digging around your unit for any reason. If you don't call for location service and don't notify the office, you will be liable for any damage caused and you will be charged for any repairs.

**LANDSCAPE DEBRIS** Piles of leaves/loose debris will need to be bagged or placed in a trash can for collection, loose piles will no longer be gathered/collected. This is far too time consuming. If you plan to have a large pile and do not have a can, bag it up or ask the office to borrow a can, Maintenance will bring you one to use. Some residents use "collapsing trash cans", this works well too. Charges will apply for large collection of loose, unbagged leaves/small debris piles. Please notify your vendor/caretaker. Palm fronds & branches can continue to be left in a small pile for pickup on debris days.

**UTILITY SHEDS/STORAGE BOXES** - We have noticed that some of you have installed utility shed(s) this season. **THEY MUST BE STRAPPED DOWN AND SECURED** to the wall and/or slab and many are not. IF you have left for the season have your caretaker do it! You can refer to **Appendix II in the Briny Rules** for more information. **Any disregard to the Rules will receive violation letter(s) and fines.**
