**YOU MUST WEAR YOUR BADGES EVERYWHERE IN THE PARK!**

**Shareholders must let the office know in advance of ALL visitors coming to Briny, whether they be family or friends. Please email the office with the information. Owners, renters or guests are required to “check in” to the office upon arrival. We will make sure you/they get parking passes and any other important Briny information. See Briny Rules, Pg. 1.**

***“DID YOU KNOW?”***

***Did you know?...*** *There are limits to the amount of detergent you can use in the machines at the Briny Laundromat? Yes! Please do not overload the machines with detergent! Also, the new-fangled “pods” that are on the market nowadays are **not really** for the Commercial size front loaders. They should only be used in the Regular size top-loading machines. Using too much detergent is not good for any of the machines-it causes extra maintenance and down time for repairs. Please read the instructions before using the machines. Also, please try to leave the front-loaders open until they dry. This will help reduce the chance of mold and mildew forming on the machines.*

***Did you know?...*** *we have storage lockers in the Quonsets? We do! They are all rented at the moment but have a waiting list in case a vacancy arises. **Available to Shareholders only and only 1 (one) per Shareholder.** If you happen to be lucky enough to have one and your needs change and you no longer need one, please contact the office. We can give the next person waiting an opportunity for extra much needed storage. Thanks!*

***Did you know?...*** *we have a lost and found basket in the office? Yes! If you find any stray keys or maybe sunglasses laying around, you can drop them off to the office in case someone is looking for them.*

*If you have any suggestions/submissions for this section, send them to: [brinybugle@gmail.com](mailto:brinybugle@gmail.com)*

**From the Town Office**

**NOTICE TO RESIDENTS: LIFT STATION**

If you hear the lift station making a strange noise or see the red light blinking on the lift station, please phone the corporate office emergency after hours number to report the problem: **561-424-1644**. Thank you

**Come one, come all!**

To the ***Friday Night BBQ*** on 5/22/21 at the Pool Cabana starting at 6 PM! Bring your main dish (meat) and drinks that you want for yourself/family and provide a side dish to share...i.e. salad, vegetable, pasta, dessert, whatever. Come and enjoy your Briny neighbors and friends. See you there.

## **Briny Breezes Memorial Fund aka The Chimes**

Recent donations to maintain our chimes have been donated in memory of:

Florence McGinnis donated by her daughter Sandra Bruins

Pat Esterman donated by Veronica Middendorf and Bill Wayne

Len D'Errico donated by MaryAnn Sperazza

Thank you for your continued support of our fund. Nancy Aceto, Trustee

## **In Memorium**

Patricia (Pat) Albers Esterman died peacefully on Monday, May 10, 2021. She was born July 7, 1931 in Cincinnati, Ohio. Pat's husband of 65 years, Harry Esterman, passed away in 2016. Pat was an avid reader. She shared her love of reading with children, volunteering at local schools and libraries. Pat and Harry loved to travel, starting their life together with a honeymoon to Ft. Lauderdale. They had a lifelong love of Florida, returning for many family vacations to Pensacola, the Keys, the West Coast, Orlando, and culminating in their retirement to The Villages and Briny Breezes. As a 2<sup>nd</sup> generation Brinyite, Pat continued to be very involved in the community. She and Harry were active in bridge, square dancing, shuffleboard, the history club, and the travel club. Pat also spent a lot of time at the hobby club, the library, and the swimming pool. She treasured the camaraderie and close friendships at Briny Breezes. A memorial service is planned for later this year.

In lieu of flowers, memorial donations may be sent to the Indiana Alzheimer's Disease Research Center at <https://medicine.iu.edu/research-centers/alzheimers/giving> or Briny Breezes Library, 5000 N. Ocean Blvd, Briny Breezes, FL 33435.

## **SHARING IS CARING!**

Last year, the Community Caring Center became part of a larger organization, Boca Helping Hands, to distribute food locally. They thank all of you for your donations last year. I will continue to drop off the food here in Boynton Beach where they distribute it from the church on Seacrest/Boynton Beach Blvd. If you have any food, cans, unopened boxes or unopened toiletries that you wish to donate, please leave on G-11 patio, in the box on the patio table. The center appreciates our donations which help supply groceries to local families. Also, kindly check the expiration dates before donating. Stay safe and healthy and we'll see you again next season! Thank you very much. Barbara Molina

**Sea Turtle Nesting Season Begins March 1<sup>st</sup>** Florida's beaches are important nesting areas for sea turtles, and the sand dunes are home to many unique plants and animals. *Please help protect Florida's sea turtles, other wildlife and the coastal habitats upon which they depend. The sea turtle nesting season in Florida runs from March through October on the Atlantic coast. During the sea turtle season, please remember few simple things to help protect these magnificent creatures and their habitat:*

- It is against the law to touch or disturb nesting sea turtles, hatchlings, or their nests. Sea turtles are protected by both the Federal Endangered Species Act and the Florida Marine Protection Act.
- **If you see an injured or dead sea turtle, call the Florida Fish and Wildlife Conservation Commission 1-888-404-FWCC (3922) or \*FWC from your cell phone.** Please be prepared to answer the following questions: What is the exact location of the animal? Is the turtle alive or dead? What is the approximate size of the turtle? Is the turtle marked with spray paint? (This indicates that the turtle has been documented.) What is the location of the closest access point to the turtle?
- Avoid going to the beach at night. If you must be on the beach at night, limit your walking and do not use flashlights or flash photography. The light may cause the female to abort the nesting process, or other sea turtles nearby may be discouraged from nesting if there are lights on the beach.
- Turn off outside patio lights and shield indoor lights from shining directly onto the beach by closing the drapes at night. Lights disturb nesting sea turtles and hatchlings. Please make sure your beachfront lights are in compliance with the law.
- While enjoying the beautiful beaches during the day, avoid disturbing marked sea turtle nests, and please take your trash with you when you leave the beach.
- When crossing a dune, please use designated cross overs and walkways. Do not climb over the dunes or disturb the dune vegetation.
