For any Briny assistance, call the office **(561) 276-7405** or email:

brinyassistant@gmail.com (Sharon)

brinybookkeeper@gmail.com (Cindy)

brinybugle@gmail.com (Mary)

brinybreezesgm@gmail.com (Michael)

Do we have your email address? Do we have your current contact information? It is very important that we can reach you whether you are here in Briny or away. Please contact the office to confirm your information, it only takes a few moments, Thanks!

ALL RETURNING RESIDENTS, VISITORS & ALL SEASONAL RENTERS NEED TO CHECK IN WITH THE OFFICE!

Shareholders can call or email the office with your arrival dates, Visitors need to pick up Guest badges and/or parking passes and Renters need to come into office and finalize paperwork with Sharon.

ATTENTION owners who will have renters this season:

Any Shareholder with outstanding fines or delinquent fees will **NOT** be allowed to rent or lease their units until all fines/assessments are paid in full. Your renters will NOT be able to take occupancy.

GO THE RIGHT WAY!!

It's been noticed that **CARS and BIKE RIDERS** are going the wrong way down our streets. **ONE WAY** signs are posted and must be followed! Some of you may have done this out of convenience during the summer but now that we are seeing more people returning which means more traffic for the season and this can become a huge problem. **Please follow ALL traffic signs in the Park! Thank you!**

Mailbox Keyes

53 Residents had their mailboxes keyed over the summer! Good job!

Please consider getting your mailbox keyed before the season starts. It will make your life so much easier. 😊 The cost is \$40.

If you have permission to pick up someone else's mail, you must have either their combo or key to their mailbox, we will not give mail to anyone besides the owner.

VIOLATIONS ~ WEEDS & TRIMMING around your unit must be managed by you, the shareholder, 12 months a year. Not just during the season but all year long. Please be sure that your caretaker is doing this, or you may receive a phone call, email or violation letter. A good number of you received violations recently and we are grateful at the quick response and action taken.

DISTRCT 4 CABLE

District 4 residents that have been delaying your return to Briny, we are still on track to have this finished in the next few weeks so that your mid-November arrivals are met with less disruption. Please consider having your caretakers be sure that your cable is working. This may require you to remove the vacation hold a week prior to your return so they can check. If it is not working, alert AT&T at 866-299-6824 so that they can get you fixed. They have had crews in the park daily working on service and repairs in D4.

2021 King Tide Predictions (NOAA – Lake Worth Pier)

Coastal Palm Beach County can expect to experience the highest tides of the year **on November 5–7**. However, high tides are also expected on November 3–4, November 8, and December 3–6. Please be prepared. Additional tide and water level information can be found by visiting the [NOAA Tide Prediction](#) webpage.

Although we are heading into November....***October is Fire Prevention Month!***

- Remember to check your smoke detector batteries several times yearly
- Buy a smoke detector and carbon monoxide detector. New products have 10-year batteries
- Have a new, unused fire extinguisher in an easily accessible place in your home
- Clear debris from under your unit and have both exits easily accessible

Briny Baubles

During the Pandemic, did you use your time going through your jewelry drawer? Did you set aside your unwanted gems to take to Briny? Do you remember where you put them? This notice is to remind you to look for them. Besides the gems we accept scarfs, hair items and unused cosmetics. I will return mid-October and hope to see many of you this season. Drop your donations off to L-201. Joanne Long

Chiselers Returning!

As we have not had a members meeting for a year, it is time we start planning for this coming Briny Winter Season with our first members meeting so that we can greet new members and catch up on what this year will bring. Although the Covid virus is still a concern, we are *planning on holding* the meeting in the parking area between Q3 and Q4 (Chiselers) weather permitting. If Mother Nature intervenes, we will move the meeting into Q3. Either way we will be spacing chairs appropriately and ask that mask protocols be observed to protect our wealth of expertise in woodworking! The Meeting will start promptly at 9:00 am on **Monday, November 22, 2021**. We would ask that some volunteers help set up the chairs at 8:15 with coffee and donuts available at 8:30 am. ~ The Chiselers Executive Committee
