**VIOLATIONS** ~ WEEDS & TRIMMING around your unit must be managed by you, the shareholder, 12 months a year. Not just during the season but all year long. Please be sure that your caretaker is doing this, or you may receive a phone call, email or violation letter. A good number of you received violations recently and we are grateful at the quick response and action taken.

### **Happy October & Happy Fall to everyone!**

October 1<sup>st</sup> brings with it the 2022 fiscal year. We have been working feverishly all summer to get the park in top shape, the office more organized and the 2021 fiscal year accounting in top notch shape to go off to the auditor. Our employees have been working very hard and we will end the year with lunch for everyone and cheers to the end of the summer. August 1<sup>st</sup> marked a year since I took over as “interim GM,” and the Board’s Executive Committee has asked me to stay another year.

As of Wednesday September 29, Mike Weir has stepped into the role as Board President. We are all sad to see Leigh leaving the Board, I have enjoyed working with her immensely this past year and am sad that Briny will lose Leigh and Michael as shareholders as they have been a huge part our of community in many ways since they moved here part time back in 2013, their contributions have been many. I wish them all the best in their future endeavors which I know will include lots of traveling and time with family!

With Leigh’s departure we have a Director position for D3 open. The Board hopes to appoint a new Director at the November Board meeting so please email me or Mike Weir with your interest.

The District 4 water line replacement project is well under way and ahead of schedule. While they are doing an exceptional job moving this forward, unexpected cable outages have resulted. Unfortunately, the OLD AT&T lines are buried very shallow under and across our roads. As they trench, the lines are being cut. We have half of AT&T out in the area now and they have promised to keep men onsite to fix as they cut for the shareholders in the park. They will do their best to determine all the unoccupied units that do not have service and hope to have it all fixed quickly. This is only in District 4.

Billing has gone out for the 1<sup>st</sup> quarter of 2021/22 so please look for that if you have not yet received. When sending in your check, we’d appreciate if you could put your unit # on the check. Please contact Cindy with any questions.

Thank you everyone who contributed to making our 2021 fiscal year a success, a different Briny year but successful all the same.

All the best,

Michael Gallacher

General Manager, Briny Breezes Inc.

**ATTENTION all owners who will have renters this season:**

Any Shareholder with outstanding fines or delinquent fees will **NOT** be allowed to rent or lease their units until all fines/assessments are paid in full. Your renters will NOT be able to take occupancy.

**KING TIDES**

Don't forget! We will be experiencing King Tides again this month until the end of the year:

- October 5-11
- October 20-21
- November 3-9
- December 2-7

Be prepared to see local impacts during the week surrounding these dates. We were very fortunate that we did not experience high water levels during King Tides in September. Other weather conditions may impact the timing and severity of the upcoming King Tides – for example heavy rains, tropical conditions including higher winds and waves may cause higher than expected tides with longer durations. Please be prepared. Additional tide and water level information can be found by visiting the [NOAA Tide Prediction](#) webpage.

**Briny Baubles**

During the Pandemic, did you use your time going through your jewelry drawer? Did you set aside your unwanted gems to take to Briny? Do you remember where you put them? This notice is to remind you to look for them. Besides the gems we accept scarfs, hair items and unused cosmetics. I will return mid-October and hope to see many of you this season. ## ~ Clubs & Activities ~

### **Returning Chiselers!**

As we have not had a members meeting for a year, it is time we start planning for this coming Briny Winter Season with our first members meeting so that we can greet new members and catch up on what this year will bring. Although the Covid virus is still a concern, we are planning on holding the meeting in the parking area between Q3 and Q4 (Chiselers) weather permitting. If Mother Nature intervenes, we will move the meeting into Q3. Either way we will be spacing chairs appropriately and ask that mask protocols be observed to protect our wealth of expertise in woodworking! The Meeting will start promptly at 9:00 am on **Monday, November 22, 2021**. We would ask that some volunteers help set up the chairs at 8:15 with coffee and donuts available at 8:30 am. ~ The Chiselers Executive Committee
