----- FROM THE OFFICE -----

The **COMMUNITY CENTER** will be closed on **10/18-19**
& **OCH interior** will be closed on **10/25-26** for the cleaning &
polishing of the floors. Please plan accordingly.

The FY2026 has started, your 1st quarterly assessment was due October 1st. Consider setting up auto pay to avoid late charges. Go to our website under Public Documents, look for “Many Ways to Pay your Assessment” and “Pay by Venmo” for easy ways to make your payments. P.S. **ONLY** send **Assessment** payments to Truist Bank Lockbox! All other payments such as Yacht Basin and storage fees must come to the Briny Office!

Billing went out for all storage - lockers, south lot & reserved parking. If you find that you no longer need your extra parking spot or locker, please let the office know and we can reassign it to the next person on the waiting list. If you are interested in a locker, you can contact the office for availability & waiting list. *FYI- if you are selling your unit, lockers and storage must be cleaned out prior to closing.*

South Lot Storage We have openings outside in the South Lot for trailers, campers, cars, etc. Spots can fit up to 11’x22’ the cost is \$79 per month + tax. Contact Sharon in the office, ext. 102 or brinyassistant@gmail.com. If you need **inside motorcycle storage**, we have that too! A couple of spots left! See Sharon for info.

Rental Applications The season is fast approaching! If you plan on renting out your unit this year/season, be sure to get your rental applications in now, don’t wait! Deadline for paperwork is 2 weeks prior to Sales & Rental Committee Meeting which is held @ the end of each month. Contact Sharon at brinyassitant@gmail.com or 561-276-7405 ext 102 if you have any questions. ***You must be up to date on your Assessment payments in order to rent out your unit during the season!***

Consider getting a lock for your mailbox Why struggle with the combo again this year? Send a check to the office for \$40 and we’ll get one installed for you before you arrive! 😊

INSPECTIONS It’s been observed that some you have air conditioning window units! **Please note: that WINDOW UNITS are not allowed** except to *replace* units that were *already* in existence. (See Briny Rules, APPENDIX II, REGULATIONS, #9) We will be checking files to see if you have been approved & authorized to have one. If not, be aware that you **may be subject to Violation and Fining.**

HELP KEEP BRINY BEAUTIFUL!

We've had a tremendous amount of rain over the last couple of months! Lots of rain brings lots of weeds and mold build-up. Inspections are being done regularly and we are sending emails as well as mailing warning letters. **REMEMBER: if you are not here year-round you must have a caretaker maintain your landscaping.** Call the office and we'll get you some #'s to contact.

BE CAREFUL when you are digging or landscaping around your unit! Please remember that your cable/wifi cabling is attached directly to your unit on the outside. If you are unsure of where it is located (or if there's anything else that needs to be located underground before you begin), please contact the office and we will have maintenance come by and show you. This will prevent outages for you AND your neighbors.

PLEASE STAY INFORMED!

- ✚ **Bugles and important emails** are sent via email blasts. If you don't get the email blasts, send a request to brinybugle@gmail.com or call the office.
- ✚ **Facebook** will have posts with fun news and important updates. Request to join "Briny Breezes Shareholders & Residents" in Facebook.
- ✚ **Emergency Text Service** will send out emergency texts. It's very simple to OPT IN. Text BRINYTEXTS to 561-831-7933, nothing else. This is for **outgoing texts only**, no other communications. You will receive a notification that you are signed up. **Do not** send ANY texts or replies to any messages from this system.

GUESTS or VISITORS?

Do you have ANYONE visiting your unit such as a friend, relative, or guest? Need Badges? Parking passes? **The office needs to be informed at least 7 days prior to their arrival** to make sure that we have time to prepare what they need to be in Briny. Have a service provider doing work at your unit? They need a parking pass too! Stop in or send them over!
