**FROM THE DESK OF BRINY PRESIDENT**

There is certainly a chill in the air this morning as I write this but I just read that Rochester, NY (the area where I am from) is the currently the snowiest city in the country with 59 inches of snow this season and today's high is 20 degrees. I'll enjoy this chilly air here at Briny. You have read from both Donna, our GM and myself that we are well into the busiest time for Corporation business. Consider that with all of the other events and there seems barely time to catch one's breath- all part of the excitement and fun here at Briny. Please be sure you have your PICTURE ID's for entry into the Annual meeting. Takes only a few minutes to get this done.

So happy to report that our last two Orientation sessions have been well attended. For those of you who were approved for membership and bought your homes, this is a requirement you signed. So please do not ask staff to pour through files and determine who has not attended and then notify you. It is not painful and hopefully so helpful as you navigate Briny. Newer residents, renters, resident guests are welcome too. A few old timers have come and found it useful. Check out the dates in this Bugle.

The Bazaar is around the corner. Clean out your treasures now so you have room for more! The mail room door will go to swipe cards only in the next few weeks. All the more reason to wear your badges! Have a great week and I am sure if you are here, I will probably see you.

Respectfully,  
Susan Brannen, President

## **FROM THE DESK OF DONNA**

This week I would like to spend a few moments sharing some thoughts about the staff that works so hard to manage your home and property.

Jenni is our cleaning gal; she is a great fit for Briny. She is hard working and takes pride in doing a good job. Last week she was called to one of the community bathrooms and had a disaster of a mess to clean up. Then again, this week the same thing but in the other gender bathroom. PLEASE do your best to clean up after yourself. The other mention is the laundry room. This time of year the laundry room is popular and being used at all hours. So yes, she is in this area every day and cleans the filters when she can.

The Landscape team (of 2) are working hard to get the property in a rhythm in the process there have only been a few minor worries. We care about your concerns and will address them ASAP. We have been having a 5- or 6-man crew appear on the property with our contract company in the past, so timing will be different. But I can see the quality of the work is 90% better already many have expressed the same opinion.

Parking continues to be an issue for some. Briny works on an honor system, we rely on you to do the right thing and follow the rules. Be sure to stop in to the office to get the new yellow decals for owners, use your parking passes properly when needed. Let the office know who your guests are and pick up your parking and guest passes as needed. Have a Briny Week!

**Where: The Ocean Clubhouse**

**The Auction:** Last year, the Bazaar Committee re-introduced the Briny Auction which was part of the original Briny Bazaar 60 years ago. It was such a hit that with the expert help of our manager, Donna Coates, we are doing it again. Attic 'treasures', mystery items, dinners, boat rides, golf lessons, etc. are included! We encourage anyone who would like to contribute a special item or a personal specialty (dinner, lesson, craft etc.), to contact Eileen Duffy at 561-450-5688.

### **BRINY BREEZES BAZAAR - Feb 8, 2020**

We are in need of your Briny Baubles! Drop them off as well as scarfs, hair items and unused cosmetics to L-201.

It is almost that time of year again! One of our community's Big Events, the **Briny Breezes Bazaar**. Our Bazaar raises money for charities as well as for our own community. Last year we took in approximately \$28,000 dollars. It is an event that brings the town together with so many volunteers - a lot of hard work and a lot of fun! It is a spectacular thing to see!

As always, we are looking for volunteers and if you are interested in helping out, please contact: Linda Sudds L15 Cordova - 613-853-0139, email; [Lj.sudds@gmail.com](mailto:Lj.sudds@gmail.com) or Eileen Duffy CD12 - 631-921-6575, email; [loveduff2000@yahoo.com](mailto:loveduff2000@yahoo.com). ## **CHURCH NEWS**

Another Sunday service for praising the Lord. Rev. Ray Brower was the Pastor for the service. As always, he gave us a wonderful message on "The New Start". God Always gives us a new start and we are to abide. We are always to walk in the joy of the Lord and with that everyone is working together for the Lord. As one church put it, when you enter there is a sign that says, "Enter to Worship" and a sign going out that says, "Depart to Serve"

The choir under the direction of Judy Hasby sang a beautiful hymn. These folks are small in number but big in faithfulness. They all would love you to join them. Paul Ruopp sang the lovely "Just a Closer Walk with Thee" Thanks Paul for your faithfulness.

If you would like to give flowers in memory or in honor of a loved one or friend, please call Betty Foland at 315-676-7413. This Sunday Mike Bingham will bring us God's message. Everyone is welcome to the interdenominational service. It is held each Sunday at 10:30 a.m. in the auditorium. You will be Blessed. ~ Betty Foland 315-676-7413

BBC-8 will broadcast the church service at 10:30 a.m. on Sunday and will continuously repeat the service starting at noon.

FINEST OCEAN-FRONT  
CAMP ON FLORIDA  
EAST COAST

(Chicago Tribune)

Jan. 2, 1937.—(Special).—To the right of the road is a sand beach, washed by tides and sterilized by sunshine. A southeast breeze is warm and moist, and salt, deep green waves play a kettle drum rumble as they break, splash and foam on the shores.

To the left of the road, the wind rustles the fronds of tall coconut palms. Lacy Australian pines furnish additional shade. In this shade, parked in rows, each with a generous lot, are forty or fifty trailers of various shapes and colors.

This is one of the many trailer towns that have sprung up in Florida in the last two years. Families from the north are living there, paying \$3 a week rent. It is eighteen miles south of fashionable Palm Beach where the rich pay \$10 to \$25 a day hotel rent to enjoy the same sunshine and the same surf.

Birds may not rank high in wisdom's scale, but should be given credit for using GOOD JUDGMENT when southward they wing their way to warmer climes.

## INSIDE OF BROCHURE

THIS "Anchorage" for trailers and campers offers advantage of former million dollar subdivision of forty acres. There are hundreds of yards of coral sand beach; groves of stately coconut palm and Australian pine; splendid water systematically piped to all parts; pavements, sidewalks, electricity, flush toilets, shower baths, laundry, hot and cold water Community hall.

Shaded grassy camp sites of generous space offer quiet away from main highway; lulled by sea breakers, among murmuring pines. Bathe and fish; watch the sea and air liners sail by; enjoy the bracing balmy air; sun tan in the sands or loll in the shade.

CLOSEST SECTION to Gulf Stream on Coast; 15 miles south of Palm Beach; world famous polo fields and millionaires' play ground  $\frac{1}{2}$  mile south; intracoastal waterway on west boundary; many other advantages.

If southbound turn east at Boynton, on Ocean avenue to end of avenue, then south one mile on Ocean Boulevard.

If northbound, at Delray Beach, turn east on Atlantic avenue to end of avenue, thence north three miles on Ocean Boulevard.

School bus stops at camp.
