### FROM THE DESK OF BRINY

The summer heat is upon us at Briny! At today's writing we are under a heat advisory today feel like temp is 106-110. We are keeping the outside team hydrated as they continue to work on summer projects. Long time Briny team member Christy Gauger gave her notice the first part of June to leave Briny Breezes and to begin a new family life adventure. She is Briny family to most of the community, so it was a shock to learn she was leaving. We had a sweet lunch for her with staff and Board members to send her off with love and good wishes. She will be missed. Life goes on at Briny, after a search for applicants to replace Christy's position we found two great candidates. Darcy Anderson a resident at Ocean Ridge will work for a few weeks doing the mail, phones and some clerical work. This will give us the time to train new full-time team member Mary Turnbull. Mary is a local Boynton lady who has had a career in banking. She is well rounded on the workings of an office and will be a good fit for Briny Breezes. Please welcome both Darcy and Mary to our little piece of paradise. We have completed the installation of the office generator and will be repairing the pavement near the fountain and the recycle areas. We are awaiting a second bid. Just a reminder, if you have hired someone to properly close up your home for hurricane season, please check to be sure it is completed. I will begin the process of sending out notices to those who are not closed, as well as those that are overgrown or out of order. I would like to wish all of you a safe and happy Fourth of July.

### **GOODBYE**

#### ***A Personal Note from Christy Gauger***

I have had a wonderful experience working at Briny Breezes for the last thirteen years. As a result, it is a bittersweet occasion that I write to you to announce that my resignation was effective June 18, 2019. I leave because my family and I are moving to Tennessee and other areas of the country as Charlie begins a new position with FPL/NextEra Energy. I appreciate and value the friendships made along the way. I would like to thank the ladies of the Hobby Club for the wonderful lunch and fun gifts, especially Marla's incredible quilt – I will treasure it always! Thank you to the Board, Donna and my co-workers who gave me a great going away lunch. I will miss you! Thank you to my other wonderful friends who have given me cards, gifts, phone calls and hugs. Briny has been a part of my life for more years than I can remember because of my mom. I will miss you all very much (I'll miss typing the Bugle and my little mailroom too!). My email address is [christymgauger@gmail.com](mailto:christymgauger@gmail.com). Please keep in touch!!

*How lucky I am to have something that makes saying goodbye so hard' ~ A.A. Milne*  
Love you all. ~ **Christy Gauger**

### **COMMUNITY CARING CENTER FOOD COLLECTION**

If you have any food, cans, unopened boxes or unopened toiletries that you wish to donate, please leave on my mother's (Ann Kimlicka) patio, G-11 Ruthmary in the box on the patio table. Many of the items previously left in the office are too heavy for me to carry! The center appreciates our donations which help supply groceries to local families. Also, kindly check the expiration dates before donating. Thank you very much, Barbara Molina

### **IN MEMORY**

It is with a deep sadness that I must inform the Briny community of the recent passing of my husband of 50 years, Nelson Smock (L-6). We were blessed to have you as our neighbors over the past several years and Nelson thoroughly enjoyed the company of everyone he met. He would always talk about our Briny adventures and eagerly await our next trip south. This year when we returned to Jersey, Nelson became suddenly ill and succumbed to pancreatic cancer after a short but valiant struggle. His brief illness and subsequent death was a shock to everyone. I am pleased to report that he had an honorable and peaceful passing surrounded by those he loved most. In the days to come look for him at sunrise, where I am sure his spirit will continue to brighten each day. Thank you for your comforting prayers and caring thoughts. I will see you all once again when the seasons change. Fondly, Elyse Smock

### **THANK YOU TO ALL**

*"My family and I would like to thank all of you for your thoughts, prayers and caring words. There is no place like Briny"*  
*Sincerely, Jim Fox and Family*

### **TURTLE NESTING & RECREATIONAL BEACH USE**

There are two visible components to the turtle nests:

a) "Body Pit" (depression or crater) created when the female buries her eggs.

b) "Egg Chamber" adjacent sand mound containing the roughly 2 feet below the surface.

Our turtle patrol will place orange stakes on either side of the nest. With over 600' of beach residents should have plenty of recreational area to use - so kindly respect the space around the nest. That being said, our Sea Turtle Patrol as well as Gumbo Limbo Environmental confirmed that Human foot traffic between/over posted stakes should not hurt the eggs. Do not allow children or animals to play or dig between stake and never imbed umbrellas poles into sand within several feet of nest. Reminding pet owners that dogs are not allowed on the beach. The morning turtle patrol is watching for evidence of nest intrusion. If you witness any human or animal disturbance you can call the phone number posted on the yellow nest placard - 888-404-3922
