

Holiday Manor Summer Checklist

Over the next several weeks many of our Holiday Manor Residents will be leaving to go to their summer retreats.

- Sign out at the front Office.
- Turn off main water supply to your unit.
- Set your AC and humidistat according to the instructions
- Lock all windows and doors.
- Remove furniture, plants, planters, bikes, decorations etc. and store them in your unit or storage area.
- Shut and lock hurricane shutters.
- Empty your refrigerator, turn it off and prop the door open.
- Remove all perishable items.
- Unplug or turn off the breaker to your hot water heater.
- Place DirectTV, Dish, or cable TV services on seasonal hold.
- Unplug TV's and other appliances.
- Cancel / Suspend newspaper delivery.
- Stop having your mail forwarded to your Florida address.
- Make sure all boats and trailers are secured.
- Check exterior sheds and mobile units to verify that the tie downs are in accordance with Florida Statutes for hurricane season.
- Leave on exterior motion sensor lights for security.
- Cover toilet bowls (add 1/2 cup of bleach) with saran wrap to prevent evaporation.
- Dispose of all perishable food.
