First Friday Fun Night, January 3, 2020!!

4pm—BasketBall Court

Our 2020 Square Dance season is going to be kicked off (danced off?) with a very special First Friday, January 3, starting at 4:00 on the basketball court (rain date Saturday, January 4).

We will begin the evening of fun with our new square dance caller Joe Uebelacker. With his 30 years of experience, Joe will lead us through a great night of fun, requiring ABSOLUTELY NO EXPERIENCE on your part.

Everyone is welcome.

Come with a partner or come solo. Joe will have you moving to the music and dancing without you even knowing it. If you can walk and listen, you can dance. It will be an evening of entertainment where you have fun, meet new friends you didn't know you had, and enjoy moving effortlessly to the music. It's like magic.

Then at 5:00, we will take a break to enjoy some traditional First Friday snacks (bring something to share) and friendly conversation, interspersed with demonstrations of all the different types of dancing we have here at Outdoor Resorts – line dancing, social dancing (aka ballroom dancing), contra, and round dancing. We'll finish off the evening with more square dancing led by Joe.

If you like anything you see, lessons will be starting the very next week.

- Beginner square dance lessons on Sundays 1:00-2:30 (starting January 5th)
- Mainstream square dance lessons on Sundays 2:30-4:00 (starting January 5th)
- Line dance lessons on Wednesdays 5:30-6:30 for experienced line dancers and 7:30-8:30 for beginners (starting January 8)
- Social dance lessons on Wednesdays 6:30-7:30 (starting January 8)
- Plus square dance lessons on Thursdays 2:30-4:00 (starting January 9)
- round dance lessons on Fridays 1:30-3:00 (starting January 10)

Dancing is as good for the mind as it is for the body. Some medical experts have even argued it can add 10 years to your life. And nothing beats it for making new friends. See you in January!

Stretch and Relax:

Instructor: Nancy Keyzers

This is a class designed to strengthen and stretch all the large muscles in the body. Attention is paid to alignment, abdominal strength, individual ability, and awareness to the breath with a short relaxation closing the class. Special attention paid to back safety.

Please bring your own mat for sanitary and safety reasons. Age is not a deterrent!!!

STEP CLASS

STEP IT UP!!!! Learn the ABCs of a great low impact aerobic workout. Beginners and experienced steppers are welcome. Get heart healthy and exercise your mind.

Attention PAVEMENT POUNDERS: Wear your FitBit to class and include these steps when you record your mileage.

Tuesdays and Thursdays 8:00 a.m. in Stan Roe
