LKLK Welcome Committee have finished the welcome packets and are in the process of distributing them to lot owners and renters in the park. If you have not received a packet, they can be obtained at cookouts or from a Greeter. If you walk, ride, bike, etc. around the park you will start to see "Greeter Lives Here" signs posted on lots in the park. Greeters so far are Sylvia at lot 70, Machellette lot 90, Elke lot 112 on the West side of the park and Debi lot 325, Martha lot 263 on the East side. The ladies at these locations have volunteered to distribute the packets to anyone who has not received it and answer questions that many new visitors to the park may have. The packet is to stay in the unit, however, if you are renting an RV lot, then please return the packet to Debi at lot 325 or the Main office before you leave for the season. You will be able to get it again next year when you return.
