Conch Horn

Rec Director Report
Tom & Belle Flora

We thought this would be the final Conch Horn... however we will publish one Thursday March 18th. We are hoping to have the tentative calendar of RECURRING events for the 2021-2022 winter season in place by that time. The Recreation Department meeting that was held yesterday was a good start to setting up that calendar.

This winter season will be one to remember for sure. Just like the rest of the world, normalcy was non-existent. We missed all of our Canadian friends, many of our American friends, the dances, playing pool, playing euchre; Texas Hold'em; Thirty One. and the nightly card games in Kay Weeks. The clicking of dominoes was also absent. There were no BIG events with bands, DJ's or parades. The pool held No volleyball players. Stan Roe stood empty, missing the busy fingers, the artists, Yoga, Step and Chair Aerobics. The Church@ORLK put safety first and took the season off. So many things were missing.

Every day we could hear the pitter-patter of Pavement Pounders walking our park. As I type they are completing a virtual tour of the Florida coastline. Changes were made and we forged ahead. Bingo was moved from Stan Roe to the Upper Rec where we could host 40 people at separate tables all 6+ feet apart. Players endured temperature taking, signing a form and wearing masks. Although we had no major events, 50 people enjoyed a Carry Out Christmas Dinner, 65 people enjoyed ToGo Flamingole dinner, and over 100 guests have tickets for St. Patrick's Day Dinner to pick up Corned beef & Cabbage. Cook-outs were well attended and we added every other Wednesday breakfast. The pool was filled every morning at 10am with music for Water Aerobics'. They started M-W-F then went 5 days and eventually 7 days a week. Even without chairs provided, we found ourselves in the water on the hot days and were glad when the new pool heater was installed. Book Club met at Fishermen's Park, enjoying the fresh air and sunshine.

The Tennis Courts were alive daily from 8am until the sun drove players out. Tennis & Pickleball thrived this season. There were new players to each sport and weather permitting the courts were busy most days. Exercise classes moved to the Basketball Court. Stretch & Relax, Tai Chi, Toning, & Zumba,. It wasn't all hard work. The court also hosted Line Dancing, Virtual Square Dancing as well as Happy Hour every other Friday. The opposite Fridays the Bobs hosted a bonfire at the beach. Drive-In movies every Sunday were lots of fun and if I do say so myself, the movies shown were pretty good.

We are so fortunate to be part of this park. Although our job this winter season was a bit more stressful and demanding, we were reminded over and over what great people choose ORLK to be their winter home away from home.
