The WHOA website is located at: [www.TheWoodlandsFL.com](http://www.TheWoodlandsFL.com).

All information is public with the exception of the Members Documents. That page will require a login and password to register. Registering will also allow you to get email from the website when something new has been added. We will NOT give out any of your information.

To sign up, email the WHOA website administrator at [WHOAdonotreply@gmail.com](mailto:WHOAdonotreply@gmail.com) and provide the following information:

First and Last Name  
Email Address  
Woodlands Home Address  
Home Phone Number  
Cell Phone Number (optional)

We will validate you as the homeowner and add you to the system. Then you will receive a notification email from MyCommunitySite.com with a link to complete the setup.

Please remember that this site is run by volunteers and you may not get an immediate response. We will try to accommodate you as soon as possible.

If you have any questions, contact Bonnie Schultz at 954-324-0046.
